SUMMARY Please briefly explain why gay, lesbian, bisexual and transgender voters should support your candidacy (you may use this space for any additional comments or to explain any positions taken on the above issues.)

I support equal protection under the law for all persons, regardless of sexual orientation or gender identity. I also strongly support the separation of church and state, and therefore believe religious institutions should be free to bestow the sacrament of marriage according to their respective beliefs. I would thus support legalizing civil unions (with all the benefits, privileges and responsibilities of marriage) in Florida. In addition, I would support recognition of civil unions granted by other states, and would treat same-sex marriages granted by other states as a civil union under Florida law.

I have signed the Broward County Statement of Ethical Campaign Practices and have attached a copy.
