

VOTE FOR VICTOR

VICTOR DEBIANCHI

HOLLYWOOD CITY COMMISSION
DISTRICT 1
HOLLYWOOD LAKES & THE BEACH

Hollywood has given me everything. My wife and our four children; my parents and family, the third generation of Hollywood residents; our home, our work, our neighbors and friends, even our dog April. Now it is my time to give back.

If elected to the City Commission, District 1, my main priorities will be:

1. Provide a safe, secure, happy and healthy environment for the people of our district and city in which to live; whether we are younger or older; with families or caring for elderly loved ones or living here single.
2. Improve the integrity of our city; enhancing the quality of education, creating jobs, and supporting community outreach through respect, caring, honesty and pride; to do the right thing without bias or discrimination to any individual or group.
3. Assure and support those who look after us; the police, fire and city personnel; the business owners, civic and community leaders of our neighborhood my full commitment to listen to our issues and priorities and fulfill them to allow our district, Hollywood Lakes and the Beach and City to progress and succeed.

From the bottom of my heart I thank the people of Hollywood, past, present and future, for all you have done and what we will do together. I promise nothing less than honesty and integrity without any special interest. Please consider voting for me, Victor P. DeBianchi, Jr., City Commissioner District 1. You may contact me by phone or email with any further questions or concerns.
