### Strengths

As a social worker, educator and Democrat for over 25 years, I bring an allegiance to human rights, social justice and equality, critical thinking and logical decision-making, collaborative leadership, and a commitment to Oakland Park's growth.

### Goals

I will work to increase safety with respect to police, fire and rescue, and pedestrian and traffic safety. I will work to promote balanced development in the city with a keen view that gentrification should not just benefit the well-to-do. Finally, I will work to promote the quality of life of residents and business owners in Oakland Park.

### LGBT Community Support

My practice, service, and scholarship have included years of commitment to help LGBTQ youth and adults. I am an "out" professor at a Catholic university.
