  - a. This Legislative Committee report is a heads up to Committee members about an upcoming Committee meeting via Zoom within the next few weeks as well as a statement to all Dolphin members. The meeting will be a follow-up to tonight's presentation by our Supervisor of Elections, Joe Scott. The meeting's theme will be combating voter suppression and the anti-LGBTQ+ intentions of Florida's Republican leaders. The focus will be on concrete steps, to be taken in conjunction with the Community Outreach and Clubs & Caucuses committees, that will address voter registration requirements in light of the state's new elections law; the necessity and encouragement of voter registration training for, respectively, Dolphin Board members and the general membership; and opportunities for voter registration activities that engage multiple LGBTQ+ and allied organizations as well as outreach to local Hispanic and Brazilian communities.
